Garbage & Recycle Information

Greenfield garbage, recycle, and yard waste collection is provided from the City of Olympia Public Works. The automated trucks operate on an "every-other-week" pickup schedule.

Pick Up Days

Greenfield Garbage and Recycling alternates on **Wednesdays** and Yard Waste pickup is on **Mondays**. Please remember to have your cart set out by 6:00 AM on collection days. (Note: Collection takes place as usual on holidays.)

Cart Placement

Here are some tips from Public Works about cart placement:

Park It, near the curb or at the road edge.

Point It, with the handle facing the house.

Give It Space, of at least an arm's length (3 feet) of clearance on all sides.

Extra Calendar Stickers

to request extra garbage and recycling or yard waste stickers for your calendar, please call (360) 753-8362.

Not Sure Which Cart to Put Out?

Call (360) 753-4444, message #8490

Recyclable Reminders:

- **Do not place recyclables in any type bag** (paper or plastic); shredded paper is the exception as it should be put into a paper bag to prevent it from causing litter.
- **Plastic dairy tubs, yogurt cups, jugs, jars, and bottles are recyclable**; other plastics, such as frozen food trays, drink cups, microwave and deli trays, plastic packaging and plastic bags are not.

Reminder for Greenfield Residents:

To help keep our neighborhood a pleasant place to live and our property values high, **Greenfield CC&R's** states that all carts should be kept out of view except for a maximum of 12 hours on pickup days.

Clean Cars - Clean Streams

When washing your cars and vehicles, please remember that our storm drains are meant for rain water run off and not waste (including soapy water). As harmless as it seems, soapy water is bad for our streams, lakes, storm water ponds, and Puget Sound.

The City of Olympia Public Works recommends that you use a commercial car wash for cleaning your vehicles as the wastewater goes to the water-treatment plant. Another option is washing your vehicle on a grassy area where the water that soaks into the ground is filtered naturally.

Reminder:

Don't let soapy, dirty water go down the storm drain!

NeighborWoods Tree Program

All trees in **Greenfield** that are located between the sidewalk and street, at the entrance to our neighborhood, and in the cul-de-sac island are a part of the City of Olympia Tree Plan.

These trees are owned by the City of Olympia, but are required to be maintained by the homeowners. We are all responsible for caring for and maintaining the trees in front of our homes and no front trees can be removed with out permission from the city.

The city offers **Free Trees**, to all residents and home owner associations through the

Neighb+orWoods Program.

Note for Greenfield Residents:

Occasionally we coordinate volunteer tree and pond maintenance events. If you are interested in helping to keep our neighborhood in compliance with city regulations, and looking beautiful, please contact the Board of directors we will keep you informed on all upcoming events.

Safe Digging

Accidentally digging into an underground utility line can be expensive and dangerous.

Washington State Law requires **all residents** to contact the **Underground Utilities Locating Center** if you plan to dig a hole or trench that is 12-inches or deeper in your yard or any common areas. Please call at least two business days before you dig so they may come out an mark the underground locations.
